CAUSE NO. 42491

INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On August 7, 2003, IQ Telecom Inc. ("IQ") filed its Verified Petition for a Certificate of Territorial Authority to Resell Bundled Local Exchange Telephone Services within the State of Indiana (hereafter "Petition"). The Petition filed by IQ was a "short form" petition, as addressed by this Commission in Cause No. 39983, intended to be processed after due public notice, without the necessity of a hearing.

On August 22, 2003, the Presiding Officer in this cause issued a docket entry, requesting omitted information from IQ, to which IQ responded on August 27, 2003.

On August 28, 2003, the Presiding Officer issued an entry advising IQ to file a verified copy of the amended Petition by September 5, 2003.

On September 17, 2003, IQ sent a letter to the Presiding Officer requesting "an extension" to respond to the August 28th docket entry. The OUCC was not copied on the entry.

The Presiding Officer in this Cause, having examined the request and being duly advised in the premises, hereby finds that:

- (1) Petitioner is granted an extension until September 25, 2003 to file a complete, verified copy of the Petition;
- (2) future requests to the Commission should be filed as motions; and
- (3) the OUCC should be copied on future filings.

IT IS SO ORDERED.
